

# PET DAY: 2014

**November 10, 2014**

Pet day is nearly here so now is the time to start the final planning for the day. There are many ways to become involved whether you are bringing a pet along or not.

There will be the decorated cake competition to view in the Kea class, with sections for children & adults. The categories are Novelty, Cupcake and Traditional. There will be an auction for adults of cakes on the day but there is no obligation to offer your cake for auction. If you need any clarification or more information, please call the school office.

On display in the Library will be, Lego creations and vegetable creations.

Before the shared lunch there will be the "Hats in the Hay" Parade.

The dogs' agility course will be around by the back of the library, other pets (cats, rabbits, birds etc) will be under the shaded area, calves will be on the left of the field and lambs will be on the right of the field.

Please have your pets at school by 9:30am so judging can begin at 10am. There will be a greedy lamb drinking race so please bring 300mls of milk ready to go.

Remember that all lambs and calves need to have been born after August 1st, 2014 to be eligible to enter.

Please keep all pets tied up at all times except while they are competing.

The KH Playgroup will be involved in the day too kicking off at 9:30am with their pet judging session.

**Please note that both the Lego creation and the vegetable creation must be completed at home and brought to school on the morning of the 10th.**

**The cakes also must be made and iced at home.**

**The hats for the parade, may be either made or brought, but must be decorated at home also.**

**Please ensure all entries are on display by 9:30 am.**

Please note that all pre-schoolers are also welcome to enter a lego creation, a vegetable creation or a hat.
