Pyjama Day

New Chrome books

Week 1, Term 2, 2018.

Tēnā koutou,

We have had an amazing start to the term with 31 new Chrome Books being issued to our Tui and Kea students. This was only made possible by Pub Charities who funded their purchase and we are very grateful. Grants like this make amazing things possible for all our learners!

We are really excited to start our Agri unit this term and to start collaborating across the school. Collaboration allows students to learn from, and with, a variety of both students and teachers (just like in real life). We can't wait to see what happens after all the learning occurs and Agri projects start to be planned.

This is also our cross country season so the whole school is training after lunch Monday to Thursday and 12.30 pm on Fridays. We ask that all students wear shoes on the road and bring appropriate clothes to run in. We are hosting small schools cross country on Thursday 24 May and will be putting the call out closer to the time for marshals and helpers. A huge thank you must go to David Last for making his fields available to us for this event.

Have a great week everyone,
Caroline
