
NEWSLETTER

Week 3, Term 1, 2016.

Please note

Next weeks newsletter will not be out until Thursday due to the swimming sports.

Tēnā koutou,

We are well and truly back into the swing of things now! The pool is continuing to be well used and students are busy practising for swimming sports and our school triathlon. Thank you to everyone who has returned the slip from last week's newsletter indicating that they are able to help with the school triathlon on the 22nd of February. We could always use more helpers though!

I am looking forward to touch rugby starting on Friday night and the country schools kiwi cricket competition starting next week. As always, I am sure that our students will represent the school with pride and will demonstrate our GROW values as well as fair play when competing.

Thank you to everyone who attended the Welcome Back BBQ. I know it is a busy time of year for a lot of people and we really appreciate your support in attending this event.

Last Friday saw Discovery Time and our AGRI projects get underway for 2016. A door for the greenhouse was constructed, the veggie garden was weeded, worm wee was collected and a BMX jump, among other things, was built.

We are all really looking forward to Woodfest on the 6th of March where we will be selling some of the produce from our AGRI projects. If you haven't already, please mark it in your diary now. I'm sure it will be an awesome day!

Have a fantastic week.

Ngā mihi nui,

Simon.

Laskey's Bush Cycle Tour 13th March 2016

This year we have 2 options for children that want to give cycling a go:

- **Pahiatua Take Note Kids Flyer** – A 5km course for children, designed to encourage those riders wanting to get out there and have a go, but feel 15km is just a bit too far.

Entry \$10, and riders who complete the course will receive a snack pack on crossing the finish line.

Prizegiving for this event will be held 15 minutes after the last rider for this event finishes.

All children who complete the ride will go in the draw for some amazing prizes kindly donated by Laskey's Cycles, Pahiatua Take Note and Shape Up-Sarah Tuhura Health & Fitness.

- **Tour de Toki 15km Ride** – This ride is aimed at both young riders and those who are not wanting to do the longer distances. Entry \$15 per person, children under 10yrs must have an accompanying adult (accompanying adults are FREE).

We would love to see everyone out there giving it a go

Entry forms available from Laskey's Cycles and Pahiatua Take Note, or available through the Bush Multi Sport Sportsground Website: <http://www.sportsground.co.nz/laskeysbushcycletour/62631/1/>
