Safer Cycling Year 1-4

Safer Cycling Year 5-8

Week 5, Term 2, 2017.

Tēnā koutou,

I would like to say a huge welcome to Isla Desmond who started school on Monday. We are sure that you will love learning at Kumeroa-Hopelands School as much as the rest of us do, Isla!

At the end of last week I attended the Sole Charge and Rural Principals' Conference. It was a chance to hear from some fantastic speakers and to make connections with other rural principals. The conference provided a great opportunity to discuss the special character of small schools and to share some ideas around best practice.

On Monday and Tuesday we had Phil from Sport Manawatu and Constable Maxine visit school to carry out the Safe Cycling programme. The students thoroughly enjoyed learning about the ABCs of bike maintenance and the 2, 4, 1 rule of how to adjust and correctly fit a helmet. The course on the school court was also a huge success, complete with intersections, give way signs and roundabouts.

Over half our school qualified for the Bush Road Race held at Eketahuna School on Wednesday. Our students ran really well and I was very impressed with the way all of them demonstrated one or more of the aspects of our GROW matrix.

Have an awesome week and enjoy the long weekend!

Ngā mihi nui,

Simon

The Flu Season

With today being the first day of Winter, it is a timely reminder that flu season is here. If your child is unwell, particularly if they have been vomiting or have had diarrhoea, please keep them at home until they feel completely better. This helps to limit the circulation of the bugs. Thanks in advance for helping to keep everybody healthy and well.
