Makirikiri Marae

Woodfest

Ti rakau

Week 6, Term 1, 2016.

Tēnā koutou,

It's that time again, 2016 is a Board of Trustees election year and very shortly we will begin to ask for members of the public to put their names forward for the election. Being a Trustee is an important and very rewarding role. In anticipation of the trustees election this year, the NZ School Trustees Association has published a booklet for prospective trustees. If you are interested about the role and are looking for more information, please contact the school office and we can organise a copy of the booklet for you.

Last Wednesday the whole school visited Makirikiri Marae. The students had a fantastic day and found the experience very worthwhile. Some of the highlights for the students were learning about the carvings in the Wharenuī and getting the opportunity to sketch them, playing ti rākau (a traditional Māori stick game) and being able to use some of their knowledge and Te Reo skills in an authentic context. Thank you to Huatahi and June who helped organised this day for the school, we really appreciate all your help and support!

Sunday saw the second annual Woodfest held at Fountaine Square in Woodville. Once again, Kumeroa-Hopelands School had a stall and the day proved to be very successful. Thank you to everyone who came along on the day and supported our stall. We raised almost \$300 from the produce the students had grown as part of their AGRI projects. This money will be used to help fund future AGRI projects. Well done to all the students for their hard work in preparation for the day but also to those students who talked to people about our school and the AGRI projects. You all did a fantastic job.

Congratulations to all our swimmers who qualified to represent our school at the Bush Swimming event which will be held on Friday. Good luck and we look forward to hearing all about how you get on next week.

Have a fantastic week.

Ngā mihi nui,

Simon.
