## Shorts for Hospice Day

Well done to everyone that wore their shorts yesterday and thank you to those who donated a gold coin. We raised \$52.00 for Hospice.

## Week 8, Term 2, 2016.

Tēnā koutou,

On Friday the 17th of June, Kumeroa-Hopelands School hosted the Small Schools Cross Country. It was a fantastic day with over 300 students from 7 different schools participating in the event. I would like to specially thank David and Linda Last for allowing us to use their property for part of the course. I would also like to say a huge thank you to all the parent volunteers who marshalled on the day, cooked sausages on the BBQ or baked things to be sold. Congratulations to the ten students from K-H School who finished in the top 5 for their race and therefore qualified for the Bush Cross Country next Friday.

This week we have been holding our parent/teacher conferences. I always enjoy meeting with parents and caregivers to discuss their child's learning. Over the first half of the year there has certainly been a great deal of effort put in by a lot of students and, as a result, they have been making excellent progress.

I am pleased to announce that Ruth McNair will be teaching in the Fantails room for Terms 3 and 4. Ruth has worked in our school as a reliever in the past and has a great deal of experience. Last year Ruth worked part time in a Year 1-2 class and has strengths in numeracy, literacy and ICT. Welcome to the team Ruth, we look forward to working with you!

Ngā mihi nui,

Simon.
