Films run from 7pm-9pm. Stay for a short or long time. Wet weather reschedule to Wed 19th June. FREE

Wellington Ocean Sports School Holiday Programme

We want to let all schools know about the Wellington Ocean Sports school holiday programme that is running during the next School holidays. The programme is open to all children aged 10 years and up and will see them experience a variety of ocean sports over a 5 day period. Sailing, Kayaking, Waka Ama and Stand Up Paddleboard are all on the agenda!

Students can choose either a morning or afternoon session in the week beginning Monday 15 July or Monday 22 July. Everything they need is provided and no experience is necessary.

We also have staff available to attend your school and discuss the programme with students and teachers.

Further details and bookings are available on our website, www.rpnyc.org.nz Feel free to let me know if you have any queries.

Regards
Matt Wood
